Time Trials (5miles) / others	4	Strathaven Striders Time Trials, January, February & March / Craggs Race

Scoring

For each event, defined as a Qualifying Race for 2014, any Strathaven Strider who takes part will be scored on the basis given below and the best 6 scores will count towards the final championship. Bonus points will be awarded for each additional qualifying race completed in excess of the 6 counting scores and up to a maximum of 16 qualifying races. This provides the potential for extra points on 10 qualifying races. The bonus will be one point for each of the next five qualifying races, 7 to 11 and two bonus points for each qualifying race in excess of 11 up to 16.

Your name and finishing time must be included in the official result for a qualifying race to obtain points in the respective championship. **Please ensure that the club name is identified when entering a race as this assists the Championship Co-ordinator when compiling each result.**

Where members have achieved new PBs they should advise those collating the championship scoring so that it can be taken account of. PBs can't be claimed for a first race of that distance / type. If claiming a PB and therefore bonus points, the Championship Co-ordinator must be informed by the Wednesday following publication of the results by the qualifying race organiser. **No points can be claimed following this cut off point.**

Time – race overall

- < 105% of first age group time (male/female) = 10 points
- >105% <110% = 8 points
- >110% <125% = 6 points
- >125% < 150% = 5 points
- >150% < 175% = 4 points
- > 175% < 200% = 3 points
- >200% = 2 points

Relative to other Striders – in each qualifying race

- 1st Strider in race (male/female) = 10 points
- 2nd Strider in race (male/female) = 8 points
- 3rd Strider in race (male/female) = 7 points
- Points will be awarded down to 9th Strider on the same sliding scale

Bonus = setting a new course or distance or age PB = 10 points
